Introduction

A lockdown may be required in the following situations (this is not an exhaustive list):

- an incident or civil disturbance in the local community which poses a risk
- an intruder on the site with the potential to pose a risk
- local risk of air pollution, such as a smoke plume or gas cloud
- a major fire in the vicinity
- a dangerous animal roaming loose
- an internal threat from a student
- any other external or internal incident which has the potential to pose a threat

Where a lockdown may be required when conducting examinations, the focus will be:

- the welfare and safety of candidates and exams staff
- maintaining the integrity and security of the examination/assessment process

Purpose of the policy

The purpose of this policy is to confirm the arrangements at Newton Abbot College for dealing with a lockdown when examinations are being conducted.

Lockdown procedures have been determined by consulting **ProtectUK** guidance. Depending on the nature of the incident, the centre may also decide to evacuate, invacuate (an inward evacuation) or use a protected space(s). However, this policy focuses specifically upon the actions, roles and responsibilities during an exams-related lockdown.

In the event of a lockdown during an examination the focus before, during and after an exam will be:

- training staff engaged/involved in the conducting of examinations
- how to achieve an effective lockdown
- implementing RUN HIDE TELL principles
- the welfare and safety of exam candidates and centre staff engaged in the conducting of examinations
- how to let people know what's happening
- maintaining the integrity and security of the examinations/assessments process
